## About Me

I am Divij Saddul, an international student studying Interactive Media Design at Fanshawe College. I am actively exploring part-time positions where I can apply my proficiency in both French and English languages, alongside my skills in graphic design.

## Experience

### Carrefour communautaire francophone de London

#### -Bien vieillir chez soi - Volunteer (present)

-Managed exterior maintenance tasks including lawn mowing and garden of elderly people to enhance curb appeal and ensure a visually appealing environment.

- Promoted CCFL services at events, engaging attendees to communicate and educate them about offerings. Distributed promotional materials to enhance visibility and understanding within the community, and actively contributed in meetings to support the francophone community.

### Freelancing (Graphic Designer)

-Designed and developed logos, brochures, posters, promotional videos and other marketing materials for diverse clients.

### Sales Associate - Island Haze - Mauritius (2021-2022)
