

Divij Saddul

Multimedia Designer

About Me

Hello! I'm Divij Saddul, a 22-year-old multimedia designer from Mauritius Island, currently studying at Fanshawe College. Bilingual in French and English, I specialize in brand identity, logo design, UI/UX design, and motion design. I thrive on turning ideas into compelling visual stories that connect with audiences.

EXPERIENCE

Project Manager (Jan 2025 - Present)

Fanshawe College - Shristi Foundation- Brothers In Arms

- Led team brainstorming sessions, managed communication, and ensured timely project delivery.
- Contributed to logo identity and design work, collaborating on creative concepts and visual branding.

Freelancing (Multimedia Designer) (Sept 2024 - Present)

- Worked on logo branding, mockups, motion design, and UI/UX projects for diverse clients.
- Contributed to volunteer initiatives, applying design skills to support various causes.

Volunteer (May 2024 - Present)

Bien Veillir chez soi - Carrefour Communautaire Francophone De London

- Managed exterior maintenance and house cleaning for elderly clients, enhancing curb appeal and cleanliness
- Promoted CCFL services at events, building relationships and supporting francophone causes.
